

CARPENTER / FRAMER – JOB DESCRIPTION

Kaufman Construction is a family owned business that has been operating in Thurston County since 1965. We have a strong platform of employees, and offer a competitive benefits package.

We are currently looking for skilled Carpenters / Framers to join our team.

PRIMARY RESPONSIBILITIES:

- Prepare the layout of the project and estimate height, width, length and other proportions.
- Work with materials such as wood, plastic, fiberglass, or drywall.
- Measure, cut, or shape wood, plastic, and other materials.
- Construct building frameworks, including walls, floors, and doorframes.
- Inspect and replace damaged framework or other structures and fixtures.
- Utilize chisels, planes, saws, drills, and sanders to repair and erect structures.
- Join materials with nails, screws, staples, or adhesives.
- Work on top of stilts, ladders, and the top of beams of buildings.
- Use levels, rules, framing squares, and survey equipment to ensure everything is level and secure.
- Check work along the way to ensure it is up to code and specifications.
- Work with prefabricated buildings.
- Work with blueprints or instructions from supervisors.
- Perform other related duties as required.

KNOWLEDGE AND SKILLS:

- High school diploma or equivalent.
- Minimum of 5 years experience in commercial building construction.
- Ability to lift and carry heavy objects, such as framing lumber, sheets of plywood and other building materials.
- Ability to understand math functions and calculations involving fractions.
- Ability to follow blueprints and building plans.
- Ability to understand and execute oral and written instructions.
