

CONCRETE WORKER – JOB DESCRIPTION

Kaufman Construction is a family owned business that has been operating in Thurston County since 1965. We have a strong platform of employees, and offer a competitive benefits package.

We are currently looking for Concrete workers to join our team who are skilled in manual labor in the construction and maintenance of concrete structures.

PRIMARY RESPONSIBILITIES:

- Build, erect, and align forms for various concrete structures and foundations.
- Cut and place reinforced wire mesh.
- Prepare appropriate sand and cement mixtures.
- Place, pour, and rough leveling of concrete.
- Utilize hand tools and non-complex small power tools.
- Performs other related duties as required.

KNOWLEDGE AND SKILLS:

- High school diploma or equivalent.
- Minimum of 5 years experience in commercial building construction.
- Considerable knowledge of the standard methods, materials, tools and equipment used in concrete construction and maintenance.
- Knowledge of the occupational hazards and safety precautions applicable to the work.
- Ability to understand and execute oral and written instructions.
- Ability to interpret blueprints and make simple calculations in order to read survey stakes and calculate areas and volumes.
- Skilled in the use and care of hand and small power tools associated with the work.
